

Get Involved

If you have interest in volunteering your time on the snow with our ski angel program please let us know by contacting us at [218-844-7669](tel:218-844-7669) or email us at info@detroitmountain.com.

Apply

Know someone who could benefit from this program? Scholarship applications are available online as well as at the Guest Service counter. DM works hard to fulfill every request. We believe in our mission and ask that those receiving benefits from this program provide volunteer service during our fundraising season.

We love getting thank you notes.

Our Mission

The Mission of Detroit Mountain Recreation Area, Inc. is to promote sound environmental recreation and educational programming to develop the health and wellness of children, families and communities.

We want to share our passion for skiing along with the experience of gliding on snow and the joy it brings. We aim to provide access to everything that Detroit Mountain has to offer to children and families that may have financial hardship.

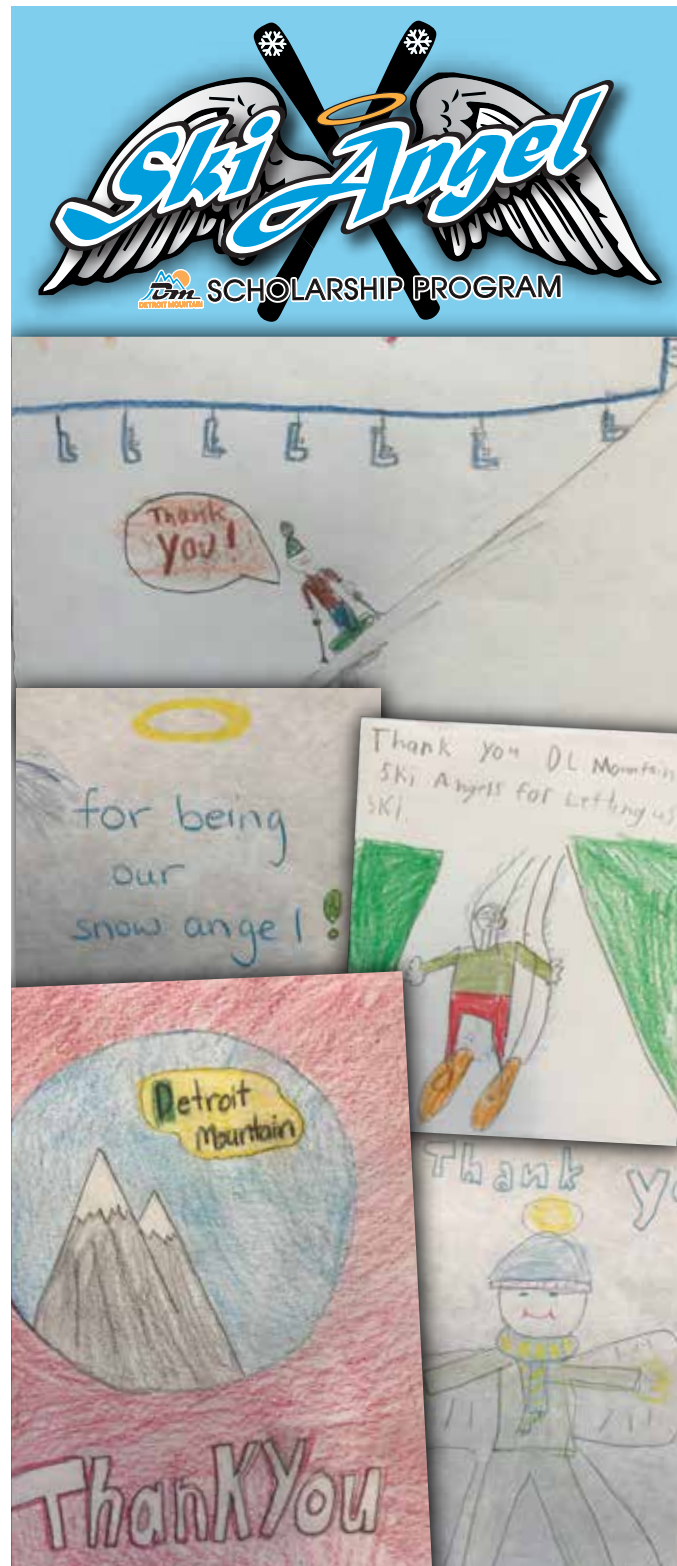

Our Story

They called her a 'ski angel'. It was in Detroit Mountain's first season in 2014 that **Barb Ellis** made her donation. Barb, who lives in Bozeman, Montana and has a summer home in Detroit Lakes, made her donation to provide one boy and one girl between the ages of 6 and 12 with free season passes through the newly created Ski Angel Scholarship fund. DMRA added 3 free lessons and free rental equipment for the season to her generous donation.

"I think it's needed and I made the donation to stimulate a challenge in the community. I want people to match my donation, or contribute whatever they can afford so kids who can't afford a pass will have a chance to ski." she said. Her challenge is one that has been met year after year. DMRA continues to reach as many children and families as possible to carry out our Ski Angel Mission.

Our Impact

Did you know?

Ski Angel Program partners with several other non-profits and schools to give children and families in Detroit Lakes and the surrounding area access to winter recreation, with a goal to expand our reach into the summer months.

Since first forming in 2014, the Ski Angel Program has provided:

We partner with HOPE, Inc. out of Fargo to provide downhill skiing for mobility challenged children and their families. With the help of HOPE, Inc. we have introduced **21** new families to the sport of Skiing.

HOPE, Inc. provides bi-ski and stand up ski equipment as well as volunteer instructors trained to provide support to give them an opportunity to ski. www.hopeinc.org

Together, we can do more.

We are very fortunate to be able to offer an outlet for a safe and healthy outdoor experience to so many. The only way that we are able to provide this valuable experience for the kids and families of our communities is through donations made by generous people, which is then in turn matched by DMRA. We therefore ask that you consider making a donation to the Ski Angel Program this year.
